

Price List

Effective March 2015

TERMS & CONDITIONS

An additional 1% discount off net price is applied to accounts in good standing who fax their orders to 262-334-6222 or email them to info@shopusi.com. A confirmation number will be returned verifying the order was received. If you don't receive a confirmation number, please contact us to ensure the order has been received.

Please contact our office for volume discount quotes for quantities exceeding 200 units.

Order lead times are typically 7-10 business days from date of order confirmation unless otherwise notified.

All orders are shipped via UPS, FOB West Bend, WI. Any customers using their freight account number for freight billing are subject to a \$4 handling fee. Any bill backs for freight incurred by USI for incorrectly provided addresses or information will be billed back with a copy of the charge back provided. A pallet fee of \$4.00 per pallet will be added to all shipments shipped via freight services.

Accounts with approved credit lines are offered terms of 1% 10, net 30 on product totals. Prompt pay discount is NOT applied to freight charges. Prompt pay discounts are NOT applicable when using credit cards for payment. To qualify for the prompt pay discount, checks MUST be received or post marked by the discount due date. Discounts taken after eligibility will be billed back to the customer and the customer may lose future prompt pay terms. International account terms are prepayment via wire transfer and will incur a \$45 wire transfer fee. USI applies a 2% per month service charge on all invoices over 30 days.

Due to the additional overhead and manufacturing costs associated with product customization, ANY deviation from the standard product manufacture, including but not limited to, fitting size, custom labels, etc. will have an added customization surcharge of 10% of the product total. This fee does not apply to OEM manufactured items.

USI warrants its equipment against defects in workmanship for a one year period from date of shipment on electronic equipment. Damage on other products must be reported immediately upon receipt of shipment. Freight delivered in less than perfect condition must be signed for damaged to be covered under warranty. Any defects, leaks, or other function issues must be reported within one week of receipt of delivery. Items will not be covered if defects are discovered upon installation. Please carefully inspect your shipments upon receipt. **USI cannot control the environment in which products are stored or manner in which they are handled from date of receipt to the date of installation, therefore, USI will not be liable for any defects not reported within one week of delivery.**

A return authorization number is required for any returned shipment including products covered under warranty. Shipments returned without prior authorization and issue of a return authorization number will be refused and/or credit will not be issued. A 20% restocking fee applies to pre-authorized returns.
